

About Cronida Industrro Tools & Supply Equipment

Who We Are?

Cronida Industrro Tools & Equipment Supply is a next-generation **B2B eCommerce platform** focused exclusively on the industrial supply chain. We bridge the gap between **manufacturers and distributors** on one side, and **retailers and professional buyers** on the other—offering a seamless, trustworthy, and tech-driven trading experience.

As a dedicated platform for industrial goods, we are redefining how India's industrial ecosystem transacts. We eliminate traditional inefficiencies and provide a digital marketplace where **quality, pricing transparency, and delivery reliability** are non-negotiable.

Whether you're a **manufacturer looking to grow your distribution network** or a **retailer sourcing tools and machinery**, Industrro is your complete solution.

Our Mission

“To streamline industrial supply distribution in India through technology.”

Our goal is to simplify industrial commerce by offering a digital platform that connects all key stakeholders—manufacturers, distributors, and retailers—under one roof. By integrating logistics, finance, and secure transactions, we help businesses grow faster and operate smarter.

Our Vision

“To become India's No.1 B2B marketplace platform for manufacturers, distributors, and retailers.”

We envision a future where Industrro becomes the backbone of India's industrial trade—empowering supply chains, improving accessibility, and fostering trust between verified sellers and quality-focused buyers.

What We Offer

Marketplace for Verified Suppliers

We provide a secure platform for **distributors and manufacturers** to list industrial products such as:

- Tools & Power Tools
- Machinery & Equipment
- Electronic Components
- Spare Parts
- Engine Oils, Lubricants & Grease

Each supplier is carefully verified before onboarding, ensuring quality and compliance.

Buying Made Easy for Retailers

Retailers and professionals can easily:

- Browse and compare industrial SKUs
- Place secure orders with verified suppliers
- Track orders in real time
- Raise damage claims and refund requests with full platform support

Pan-India Delivery Coverage

We deliver to over **13,500+ pincodes across India**, offering:

- Doorstep delivery via our **logistics partners** and **in-house fleet**
- Fast dispatch—suppliers are required to process orders within 24 hours
- Real-time order tracking and proactive delivery support

Fast and Transparent Supplier Payments

- Suppliers can **request payouts** within **24 business hours** after order delivery
- 8% platform commission is deducted per transaction
- Full transaction and settlement visibility in the supplier dashboard

Flexible Return, Refund & Damage Claim System

- Return requests accepted within 48 hours of delivery
- Refunds processed to buyer wallets within 3–5 business days
- Damage claims settled in 24 hours with full product value refunded (post verification)

What Makes Us Different

At Industro, we don't just facilitate transactions—we build trust, speed, and control into the supply chain.

- ✓ **Exclusive industrial focus** (no unrelated product categories)
- ✓ **Commission and settlement transparency**
- ✓ **Real-time financial dashboards for suppliers**
- ✓ **Policy-driven platform for return, refund, and damage handling**
- ✓ **Seller access control to maintain quality assurance**

Our Target Audience

We proudly serve all participants in the industrial supply chain:

-  **Manufacturers**
Looking to expand their distribution footprint and reach targeted B2B buyers.

-  **Distributors & Wholesalers**
Authorized vendors listing products across India with verified buyers.
 -  **Retailers & Dealers**
Sourcing high-quality industrial goods at fair prices, with delivery and return support.
 -  **Field Technicians & Small Businesses**
Individual buyers or micro-businesses needing tools, components, and parts.
-

Platform Features

Our platform is designed for **industrial-grade performance** with B2B-specific features:

-  **Verified Supplier Onboarding**
Every seller must provide business documents (GST, PAN, etc.) before listing.
 -  **Order Management Dashboard**
Full control over incoming/outgoing orders, fulfillment, and history.
 -  **Finance & Settlement Dashboard**
Real-time tracking of commissions, returns, payment history, and withdrawals.
 -  **Secure Transactions**
PCI-compliant payment options including UPI, net banking, credit cards, and more.
 -  **Return & Claim Automation**
Easy interface to raise product return, refund, or damage claim requests.
 -  **Integrated Logistics**
National coverage with live tracking and Industrro-supported shipping.
 -  **Growth-Oriented Design**
Tools for repeat order management, business performance, and account analytics.
-

Our Commitment to Growth

With a strong foundation in Assam and rapidly expanding across the country, Industrro is building India's most reliable B2B backbone for industrial goods. Our long-term focus is on building tools and services that make industrial trade **faster, more transparent and less fragmented**.
